2" X 1.5" Velcro squares, place these under the helmet brim to hold and store ID Tags.

Price	\$0.40 ea.
--------------	-------------------

13.) TacBac(s):

Check off plates that mount to the back of the Tactical Boards. They contain the most often used information by the Fire and EMS officer on an incident scene. They have boxes for utilities, search and etc. Use the grease pencils to write on them.

Fire	\$16.00
EMS	\$18.00

14.) Grease Pencils:

These are special pencils that we have found work best for writing and erasing Tactical Boards.

Price	\$2.25 ea.
